

BANES WLN

Bath and North East Somerset
Women's Leadership Network

Winter Dinner

27th January 2026

A diverse, inclusive and cross-sector networking space for women leaders in BANES.

Come and join us for the Bath and North East Somerset Women's Leadership Network.

We are a diverse, inclusive and cross-sector networking space for women leaders in BANES. We want to create a safe, supportive and dynamic space for women leaders to network, to learn from and to support one another.

We welcome you to join us if:

- * you identify as a woman
- * you are an existing or an aspiring leader
- * you are based in BANES (or you are from out of region and are prepared to travel to Bath for events)
- * you can just be starting your career or you can be a veteran with wisdom to share
- * you are a #HeForShe ally

We are keen to connect with other women leadership networks in the region as we work collaboratively, not competitively, to create a community space that serves us all. We would love the network to be as diverse and as inclusive as possible so we will endeavour to ensure that our events are accessible to all - let us know if you have any specific needs for us to consider in our planning.
